

GRANT NEWSLETTER 27 September 2024

This newsletter contains an overview of grants that could be interesting for our scientific staff. The Faculty is happy to offer support with your application. For more information, please contact Hester Bergsma, Anita Wagemaker or Sheline Kap at researchdesk@fsw.leidenuniv.nl

If you consider applying for a grant, be aware that it might take some time to obtain mandatory forms and signatures as well as legal checks. Contact researchdesk@fsw.leidenuniv.nl for more information and advice on planning and preparing your application.

Obtained a grant? Congratulations! Please consult researchdesk@fsw.leidenuniv.nl for matters such as legal verification of the contract and obtaining the correct signatures.

Please also take into account the rules with regard to '[working for third parties](#)':

The [FSW Research Support Portal](#) offers useful information to scientists within our Faculty.

Special Note **Items marked GREEN are new in this newsletter**

Consultation hours for ERC CoG candidates

Advisors from the Grant Development team at central level organise consultation hours for ERC Consolidator Grant candidates. Intakes are offered in October and November. Register quickly if you want to take advantage of this opportunity via this calendar: [Consultation hours for preparation of a grant proposal \(supersaas.nl\)](#). **Please also inform the Researchdesk**

researchdesk@fsw.leidenuniv.nl. There is a limit to the available time for ERC CoG consultations, booking goes in order of registration.

Conferences - workshops - information sessions

17 October 2024: Lump Sum Funding in Horizon Europe

Lump Sum Funding in Horizon Europe: How does it work? How to write a proposal?

22 October 2024: Una Europa Community Meet-up

Have you heard about Una Europa? This alliance of 11 leading research universities – including Leiden University – offers many possibilities for all employees, from seed funding calls to interdisciplinary research collaborations with colleagues across Europe, and professional development opportunities. At this Community Meet-up, you'll learn more about Una Europa, how it can benefit you and how you can participate.

7 November 2024: KFZ(-J) Symposium

Op locatie in Zeist
Jaarlijks wordt het KFZ-Symposium georganiseerd. Tijdens deze feestelijke dag worden opgeleverde producten van KFZ én KFZ-Jeugd aan het forensische (jeugd)zorgveld gepresenteerd.

7 November 2023: UL Course writing an excellent research grant proposal for PhDs and postdocs

It is essential for researchers to be able to obtain independent research funding in order to advance in their career. This training course will provide you with both the tools and the opportunity to practice with writing or improving your own research proposal for an individual grant.

15 November 2024: Dutch Dementia Researchers Conference

Utrecht
This one-day conference promises a wonderful opportunity to share your research and meet other dementia researchers. We are excited to meet you on November 15, 2024 at the Jaarbeurs in Utrecht. This venue provides great rooms for both plenary and parallel sessions, poster presentations and a great space to interact with colleagues.

[ERC eligibility calculator \(for all disciplines\)](#)

Applying to the ERC grant?

Begin with this comprehensive ERC course: from basics to beyond.

[ERC Additional opportunities \(for all disciplines\)](#)

You can develop your career through public funding linked to ERC projects.

EC Horizon: [Open Research Europe \(ORE\) platform \(for all disciplines\)](#)

Whether you are a partner in a Horizon Europe or Horizon 2020 project, or a grantee of a European Research Council action or Marie Skłodowska-Curie action, ORE (the EC's open access publishing platform) is a destination for publishing your research, making it immediately open access, and having it peer-reviewed and ultimately indexed. [Platform website](#) [FAQs](#) [Policies](#) [How it works](#)

[ERC Starting Grant 2025 \(for all disciplines\)](#)

Are you a talented early-career scientist who has already produced excellent supervised work, is ready to work independently and shows potential to be a research leader? The ERC Starting Grant could be for you.

Deadline: 15 October 2024

[ERC Synergy Grant 2024 \(for all disciplines\)](#)

Are you a researcher that wants to address a research problem so ambitious, that can not be dealt with you and your team alone? The Synergy Grants could be for you!

Deadline: 6 November 2024

[MSCA Doctoral Networks 2024 \(for all disciplines\)](#)

The objective of Doctoral Networks is to implement doctoral programmes by partnerships of organisations from different sectors across Europe and beyond to train highly skilled doctoral candidates, stimulate their creativity, enhance their innovation capacities and boost their employability in the long-term.

Deadline: 27 November 2024

Opens soon: [ERC Consolidator Grant 2025 \(for all disciplines\)](#) [See special Note page 1](#)

Are you a scientist who wants to consolidate your independence by establishing a research team and continuing to develop a success career in Europe? The ERC Consolidator Grant could be for you. You can also apply if you have recently created an independent, excellent research team and want to strengthen it.

Deadline: 14 January 2025

[NWO news and events](#) [NWO Meeting calendar](#) [Integral call planning](#)

[KIC 2024-2027](#)

NWO develops innovation programmes that focus on societal challenges in the Netherlands. These programmes aim to have an impact on the economy, people and society. The focus is on cooperation between knowledge institutions, private parties and the government. The results thus contribute to the realisation of economic opportunities. It is therefore essential that companies invest in every research project. You can also contact the Research desk for more information.

[Five new thematic calls for public-private partnerships in preparation](#)

Biochemical diversity; Consumer behaviour as key to the transition to a circular economy; Medicines from medicines; Data spaces for the energy transition; Smart Tech for Everyone, Everywhere

[KIC Digital Identities – A Foundation for Trust in the Digital World \(open to several disciplines\)](#)

This Call for proposals focuses on increasing digital trust with digital identities for individuals, legal entities and objects. We invite researchers to submit initiatives and proposals that they have formulated in partnership with researchers from other relevant disciplines and relevant organisations in society, including businesses. This will involve looking beyond the boundaries of scientific domains (humanities, exact sciences, social sciences).

The deadline for submitting initiatives: 14 November 2024

The deadline for submitting proposals: 8 April 2025

KIC Demand by Consortia - S (open to all disciplines)

Cybersecurity, climate change, circular economy, housing shortage, aging or healthcare: our society faces enormous challenges that call for knowledge and breakthrough innovations. In this call for proposals, funding for impact-driven collaborative research can be applied for.
Deadline: 5 November 2024

Faculty of Impact 24/25 – Agriculture, water and food and Circular Economy (Psychology, CADS, CWTS)

The Faculty of Impact program is aimed at researchers who want to achieve impact with their research and are interested in developing entrepreneurial skills to set up their own business. These researchers can now submit a grant application to become a fellow at the Faculty of Impact. A maximum of €185,000 is available per application. The duration of this program is two years.
Deadline: 1 October 2024

NGF AiNed XS Europe 24-3 (open to all disciplines)

The NGF AiNed XS Europe grants are intended to support promising ideas and to facilitate innovative and more speculative initiatives that focus on the challenges outlined in the national AI research agenda AIREA-NL and are designed in collaboration with at least one European collaborative partner organization. The proposed research is ground-breaking and involves a real risk of failure.
Deadlines: 8 October 2024

NWA Loneliness (open to several disciplines)

The Dutch Research Agenda thematic programme "NWA Loneliness" aims to contribute to a better understanding of the causes and nature of loneliness, contribute to the understanding of effective interventions to reduce loneliness, and contribute to the understanding of the possible taboo of loneliness in society.
Deadline: 10 October 2024

Perspectiefronde 2024/2025 (open to all disciplines)

NWO Domain AES invites researchers and users (companies, societal organisations) to jointly submit new, challenging research projects within the application-oriented and technical sciences that generate economic and social impact in thematic areas relevant to the Netherlands. For interdisciplinary collaborations.

Submission of statement of intent: 8 October 2024

Submission of pre-proposal: 19 November 2024, Submission of proposal: 13 May 2025

SSH Open Competition XS 2024 – Round 3 (open to all disciplines)

The SSH Open Competition XS Call for proposals is specifically intended to encourage curiosity-driven and innovative research that involves the relatively rapid exploration of a promising idea.
Deadline Round 3: 15 October 2024

The Water-Food nexus in rainfed agri-food systems in Sub-Saharan Africa: socio-economics and governance (CADS, Political Science)

This call for proposals builds on the attention for the water-food nexus generated during the UN Water Conference of 2023, and on the work of the Global Commission on the Economics of Water. It focusses on better understanding the governance and socio-economics of rainfed agri-food systems, such that scaling of practices that make these systems resilient to changes in the water cycle can take place.

Deadline pre-proposal: 15 October 2024

Deadline full proposal: 13 May 2025

NGF: Towards the future Learning communities as drivers of the green hydrogen economy (open to all disciplines)

This Call for proposals seeks to promote research into regional solutions and/or strategies for creating and shaping a responsive ecosystem of working, learning, and innovation through applied research. These regional ecosystems combine to create a nationwide ecosystem of working, learning, and innovation to drive the hydrogen transition

Workshop registration deadline: 15 October

Deadline for proposals: 11 March 2025

Cooperation Taiwan (NSTC) Joint Seminars (open to all disciplines)

NWO has a cooperation agreement with the National Science and Technology Council of Taiwan (NSTC). The aim of the cooperation programme is to promote contacts between Dutch and Taiwanese researchers. The programme offers the opportunity to organise a joint seminar in the Netherlands or Taiwan.

Deadline: 15 October 2024

Cooperation Taiwan (NSTC) Research Visits (open to all disciplines)

NWO has a cooperation agreement with the National Science and Technology Council of Taiwan (NSTC). The aim of the cooperation programme is to promote contacts between Dutch and Taiwanese researchers. The programme offers the opportunity for a Dutch researcher to visit Taiwan and a Taiwanese researcher to visit the Netherlands.
Deadline: 15 October 2024

SSH Open Competition M 2024 (open to all disciplines)

The SSH Open Competition M funding instrument is open to research proposals with a question and/or problem definition within the social sciences and humanities. Within this field the instrument has no further thematic limitations. The instrument is aimed at excellent disciplinary, interdisciplinary and multidisciplinary research. This certainly includes fundamental scientific research.
Deadline: 31 October 2024

Long-term Europe–Africa WEF Nexus (LEAWEF) Multilateral Research Programme (open to several disciplines)

This call for proposals is the first call launched within LEAWEF Programme. It invites broad consortia that cooperate in impact-driven research projects on the Water-Energy-Food (WEF) Nexus, which addresses the interlinkages, synergies, and trade-offs between the management, production and consumption chain of water, energy and food resources.
The deadline for the submission of Partnership request forms (not mandatory), which are to be submitted to NWO, is 4 November 2024.
Closing date for pre-registration (mandatory): 11 February 2025
Closing date full application: 14 July 2025

NWO Talent Programme | Vidi 2024 (open to all disciplines)

Vidi is an instrument within the NWO Talent Programme. The Vidi target group consists of researchers who are in the transition to leadership. They also possess academic qualities that clearly exceed what is usual and demonstrate development of leadership and mentoring qualities. The Vidi grant funds scientifically innovative research and gives researchers the opportunity to establish or expand a research group.
Closing date pre-registration: 5 November 2024
Closing date full application: 8 April 2025

ADM-LAB: Livings Labs for Adaptive Delta Management in Bangladesh (CADS, Political Science, Psychology, CWTS)

The Netherlands and Bangladesh, as densely populated delta countries, are susceptible to the effects of climate change. Effective natural resource management is crucial for inclusive development, prosperity, food security, and climate-resilient infrastructure.
Deadline: 5 November 2024

NWO Merian Fund Cooperation Brazil – The Netherlands Health in Cities 2024 (open to all disciplines)

NWO, through the Merian Fund, and the research council of the state of São Paulo (FAPESP) work together in the Cooperation Brazil (FAPESP) programme to stimulate Brazil-Dutch collaboration in research, by funding joint research by inter- and transdisciplinary teams of Dutch and Brazilian researchers and stakeholders.
Deadline: 12 November 2024

Driving Urban Transitions Call 2024 (open for several disciplines)

Driving Urban Transitions to a sustainable future (DUT) is a European partnership about urban change in a global context and for a sustainable future. The aim of the partnership is to create attractive, sustainable and economically viable urban areas in which European citizens, communities and their environment thrive. Themes of this call are about the urban energy transition, mobility and circular economy.
Closing date for pre-registration: 14 November 2024
Closing date full application: 24 April 2025

Blue economy: economic activities and healthy ecosystems in oceans (open for several disciplines)

The joint research projects should focus on balancing oceans' multiple uses for creating sustainable blue economies. Consortia of research institutes and practitioner organisations (both public and private) in the Netherlands and in Indonesia can apply for funding. NWO and the Indonesian Ministry of Education, Culture, Research and Technology (KemendikbudRistek) aim to finance collaborative research and strengthen scientific collaboration between the Netherlands and Indonesia.
Deadline: 19 November 2024

Open Access Books (open to all disciplines)

Project leaders or co-applicants of awarded NWO research projects can apply for funding of the costs of Open Access publishing of academic books that result from NWO funding.

Deadline: continuous

Cooperation Germany - Von Humboldt Stiftung (VHS) (open to all disciplines)

The NWO invites eminent researchers to nominate German candidates for a Von Humboldt Prize and German researchers to nominate Dutch candidates. The aim is to encourage international collaboration between excellent researchers.

Deadline: continuous

[Granting information and calls for proposals](#)

Kennisbenutting Plus (Education and child studies)

Kennisbenutting Plus is a grant for activities that stimulate the utilization of educational research. A budget of 60.000 euros is available. Since this grant is focused on Dutch education, all documentation is in Dutch. Please go to the Dutch callpage. Applications can be submitted continuously.

Knowledge for education of the future – Small (education and child studies)

The aim of this research programme is to fund practice-oriented, policy-oriented and fundamental research that contributes to the development of generalizable and applicable scientific knowledge on the themes of the Knowledge Agenda for Education and contributes to the improvement and innovation of Dutch education.

Deadline Letter of Intent: 15 October 2024

Deadline: 12 November 2024

Kansrijke aanpakken: Parels uit de praktijk – fase 1 (Education and child studies)

In deze subsidieronde worden onderzoeksprojecten gefinancierd die bijdragen aan kennis over de werkzame elementen van onderwijsaanpakken binnen de vve, het po, vo, so, vso en/of mbo. Praktijkprofessionals en onderzoekers voeren het onderzoek gezamenlijk uit om de relevantie van het onderzoek voor de onderwijspraktijk te vergroten.

Deadline Letter of Intent: 15 October 2024

Deadline: 12 November 2024

Aanbesteding: Meta-analyses naar werkwijzen om leren en lesgeven in het funderend onderwijs te verbeteren (Education and child studies)

In deze aanbesteding kunnen onderzoekers inschrijven op meta-analyses over didactische werkwijzen die onderwijsuitkomsten verbeteren. Het doel is om inzichten te verkrijgen in effectieve aanpakken in het funderend onderwijs op de domeinen taal, rekenen-wiskunde, en gedrag. Deadline: 18 november 2024

ZonMw
SOLUUTIA

[News](#)

Impact Explorer Dementie

Het doel van de Impact Explorer Dementie is het verkennen van de maatschappelijke waarde van onverwachte bevindingen in onderzoek naar dementie. Lopende projecten bij ZonMw die onderzoek doen naar dementie komen in aanmerking voor de Impact Explorer Dementie.

Deadline: 3 oktober 2024

Zorg en Zorgtoegang voor Mensen met Kansspelproblemen

Het doel is het verbeteren van zorg voor mensen die problemen ervaren door kansspelen, en het vergroten van het aantal mensen dat toegang tot hulp of behandeling vindt.

Informatiebijeenkomst: 1 oktober 2024, 15:00 – 17:00

Deadline vooraanmelding: 8 oktober 2024, 14:00

Deadline indienen subsidieaanvraag: 19 november 2024

Post-COVID: Van risicofactoren en preventie tot diagnostiek en behandeling (psychologie)

Deze oproep richt zich op onderzoeksthema's voortkomend uit de Kennisagenda Post-COVID en uit het Post-COVID programma van ZonMw. Er is onder andere ruimte voor onderzoek naar preventie, risicofactoren, screening, diagnostiek en (medicamenteuze) behandeling van Post-COVID. Ook kunnen er aanvragen worden ingediend voor vervolgonderzoek en zorgevaluatie.

Deadline indienen projectidee: 8 Oktober 2024

Deadline indienen uitgewerkte subsidieaanvraag: 28 januari 2025

GOR-COVID-19 Open ronde 2024 (psychologie)

Deze subsidieoproep richt zich op verdiepend onderzoek met reeds verworven GOR-COVID-19 data. ZonMw biedt onafhankelijke onderzoekers hiermee de mogelijkheid om onderzoek te doen naar de gezondheidseffecten van de coronapandemie en de bijbehorende maatregelen.

Deadline: 17 oktober 2024

Therapeutische Toepassingen van Psychedelica (psychologie)

De subsidieronde richt zich op het opzetten van één landelijk breedgedragen consortium van expertisecentra in ggz en andere relevante partijen met expertise van therapeutische toepassingen van psychedelica. Het doel: een ontwikkelingsplan opstellen voor registratie en vergoeding van beoogde combinatiebehandeling van psychedelicum en psychotherapie.

Deadline: 26 november 2024

Ervaringsdeskundigheid versterken rondom onbegrepen gedrag (psychologie)

Met dit subsidietraject wordt ingezet op het versterken van ervaringsdeskundigen die werken voor en met mensen met onbegrepen gedrag. De subsidie is bedoeld als impuls voor projecten of acties die al gestart zijn.

Deadline: 3 december 2024

KNAW-NIAS

[News](#)

The Academy regards awards as an important means of showcasing outstanding and promising researchers. They also serve to spotlight specific areas of research and/or the arts. In addition, the Academy runs a number of incentive programmes specifically meant to encourage research excellence, in particular among young scientists

and scholars. The Academy offers several awards and funding possibilities.

NIAS - one of the institutes of the Royal Netherlands Academy of Arts and Sciences (KNAW) – has made it its mission to provide a physical and intellectual space for advanced research in the humanities and social sciences that is driven by curiosity and cross-discipline collaboration.

Faces of Science (for all disciplines)

Faces of Science communiceren over hun wetenschappelijk onderzoek en hun leven als promovendi aan de hand van blogs, vlogs, artikelen, lezingen, optredens in de media en activiteiten op sociale media. Zij vormen samen het Faces of Science-netwerk en krijgen handvatten en trainingen aangeboden om hun vaardigheden met wetenschapscommunicatie verder te ontwikkelen.

Nominations starting 15 October 2024

KNAW Early Career Partnerships (for all disciplines)

Postdoctoral researchers at the beginning of their careers can apply for up to EUR 10,000 to organise an interdisciplinary meeting in the Academy's Trippenhuis complex or another location of their choice.

Call opens 1 November 2024

Institute Gak-KNAW Award (for all disciplines)

Talented early-career researchers may apply for a three-year appointment as a post-doc researcher at an Academy institute to conduct research on the labour market and social security in the Netherlands.

Call opens 1 November 2024

OTHER
OTHER

ODISSEI (for all disciplines)

ODISSEI (Open Data Infrastructure for Social Science and Economic Innovations) is the national research infrastructure for the social sciences in the Netherlands. ODISSEI brings together researchers with the necessary data, expertise and resources to conduct ground-breaking research and embrace the computational turn in social enquiry. [Newsletter 25/9/24](#)

Lorentz Center: Organize a workshop (open to all disciplines)

Any researcher or group of researchers can apply for organizing a workshop at the Lorentz Center. Workshop proposals can be submitted three times per year. Last deadline in 2024: 30 September.

Expand your skills and network with Una Europa's Student Project Incubator (for all disciplines)

Are you a bachelor's or master's student, or a PhD candidate, at Leiden University or LUMC? And are you curious about Europe's role in the world? If so, [apply by 7 October](#) to join the Una Europa Student Project Incubator.

The British Academy Visiting Fellowships (for all disciplines)

The British Academy's Visiting Fellowships programme provides outstanding academics based in any country overseas with the opportunity to be based at a UK higher education or other research institution. The programme is open to academics at any career stage, and in any discipline within the humanities and social sciences.

Deadline: 23 October 2024

Open Science Infrastructure (for all disciplines)

This call focuses on the development of digital infrastructures that support open science practices. It covers the entire spectrum of open science and is deliberately broad in scope to be inclusive of the community's diverse digital infrastructure needs.

The deadline for submitting preproposals: 5 November 2024

The deadline for submitting applications: 22 April 2025

Wenner-Gren Conference and Workshop Grant (CADS)

This grant program supports meetings and events that promote the development of inclusive communities of anthropologists and advance significant and innovative research. Conferences that we support are public events directed at large audiences of anthropologists.

Deadline: 1 December 2024

Spencer Foundation: Research Grants on Education: Small (Education and child studies)

The Small Research Grants on Education Program supports education research projects that will contribute to the improvement of education, broadly conceived, with budgets up to \$50,000 for projects ranging from one to five years. They accept applications three times per year.

Next call opens early October.

Deadline: 4 December 2024

Open Science Meetings (open for all disciplines)

Both researchers and research support staff may submit an application for financial support for organising an open science meeting. The aim of this instrument is to allow open science communities to organise meetings on topics of common interest.

Deadline: continuous, until 12 December 2024

Gruber prizes (Psychology)

The Gruber Foundation, in collaboration with Yale University, invites applications for several opportunities such as the neuroscience prize.

Deadline: 15 December 2024

Upcoming: The Branco Weiss Fellowship: Society in Science (open to all disciplines)

The ideal applicant for a Branco Weiss Fellowship leverages the freedom offered by the fellowship to design a surprisingly novel and scientifically rigorous research project. The fellowship addresses junior researchers with a record of outstanding scientific achievement and a passion for venturing into new territory. Call opens in October 2024.

Deadline: 15 January 2025

APF Esther Katz Rosen Pre College Psychology Grant Program (Educ.& child stud., Psychology)

The Esther Katz Rosen Pre College Psychology Grant Program provides financial support for efforts aimed at improving the quality of education in psychological science and its application in the secondary schools for high ability students. Proposals must focus on supplying education for gifted and talented high school students.

Deadline: 6 March 2025

Gerda Henkel Stiftung PhD Scholarships and programmes (open for several disciplines)

In line with one of the founder's wishes, a special focus of the Gerda Henkel Foundation is support for up-and-coming scholars. Special attention is made when approving grants to enable qualified young researchers of both sexes to conduct scientific work for a limited period of time and in order to improve their academic training. Applications for PhD scholarships are considered throughout the year.

BIMTECH Research Fellowship for Young Global Scholars (open to all disciplines)

The BIMTECH Research Fellowship scheme is to provide opportunities to researchers from foreign B Schools/Universities to undertake advanced studies in India leading to research outcomes.

Deadline: ongoing (selection meets only three times a year – March, July and November)

Wissenschaftskolleg zu Berlin Fellowships (open to all disciplines)

In each "class", the Wissenschaftskolleg strives to put together a group of Fellows that is greater than the sum of its individual members. To this end, the Wissenschaftskolleg invites outstanding researchers from all disciplines and from all over the world for a research year in Berlin. Continuous.

National Institute for Health Research (Psychology)

UK's largest funder of health and care research, working in partnership with the NHS, universities, local government, other research funders, patients and the public.

Check their website for various funding possibilities.

IASH (University of Edinburgh) (open to all disciplines)

Several Fellowship programmes for external researchers. Various deadlines.

Hersenstichting (psychologie)

Gekwalificeerde onderzoekers, verbonden aan neurowetenschappelijke instituten en onderzoekscentra, kunnen bij de Hersenstichting een aanvraag indienen om subsidie voor hun onderzoek te krijgen.

Deadline: ongoing

Harry Frank Guggenheim foundation (political sciences, CADS and psychology)

Through its research activities, The Harry Frank Guggenheim Foundation supports work in the social and natural sciences and aligned disciplines to increase understanding of the causes, manifestations, and control of violence in the contemporary world.

Deadlines: variable

Wenner Gren Post-PhD Research Grant (anthropology)

This grant program funds individual research projects undertaken by doctorates in anthropology or a closely related field. Our goal is to support vibrant and significant work that furthers our understanding of what it means to be human. There is no preference for any methodology, research location, topic, or subfield. Deadlines: variable

Andrew Carnegie Foundation (Education and child studies, CADS and political sciences)

Andrew Carnegie envisioned Carnegie Corporation as a foundation that would "promote the advancement and diffusion of knowledge and understanding".

Deadlines: variable

Max-Planck-Gesellschaft (open to all disciplines)

The Max Planck Society is one of Europe's leading basic research organizations. In its research laboratories, workshops, libraries, and administration, scientists and researchers perform demanding tasks with a high degree of autonomy and creativity. Various calls and deadlines.

Emmy Noether Programme DFG Deutsche Forschungsgemeinschaft (open to all disciplines)

Outstanding junior researchers can rapidly qualify for leading positions in science and research or for a university teaching career by heading an independent junior research group and assuming relevant teaching duties. Deadline: continuous

Volkswagen Stiftung (open to all disciplines)

Freigeist Fellowships support outstanding (junior) researchers who would like to conduct exceptional, high-risk research between established fields of research. They will assume the leadership of their own junior research group and receive the very broadest academic freedom for a clear time frame.

Deadline: continuous

The British Academy: Global Professorships (open to all disciplines)

This programme aims to demonstrate and further enhance the UK's commitment to international research partnerships and collaboration as well as strengthen the UK's research capacity and capability in the humanities and the social sciences.

Deadline: continuous

Dokter Wittenberg Stichting (psychologie)

De Dokter Wittenberg Stichting verleent subsidies aan projecten die bijdragen aan de terugkeer in de samenleving en de arbeidsmarkt van (uitbehandelde) psychiatrische patiënten.

Door de toekenning van financiële bijdragen wordt beoogd initiatieven te ondersteunen die zonder deze ondersteuning niet levensvatbaar zijn. Doorlopende aanmelding

Heisenberg Programme (open to all disciplines)

If you already meet all the requirements for appointment to a permanent professorship, you can apply to the Heisenberg Programme. While you prepare for a future senior academic role, the DFG provides funding to enable you to carry on with high-quality research at the institution of your choice and continue building your academic reputation.

Deadline: ongoing
