## Masterspecialisation Occupational Health Psychology

Margot van der Doef

## Index

- 1. Programme overview
- 2. Programme schedule
- 3. Mandatory courses
- 4. Electives
- 5. Thesis
- 6. Internship
- 7. Planning your master's programme

## A quick overview

#### **Programme structure**

Four mandatory courses
 20 EC

• Two elective courses 10 EC

• Thesis 20 EC

• Internship 10 EC

#### Type of programme

Full time

• 60 EC

#### Degree

MSc in Psychology

#### Starts in

- September
- February

## **Programme outline – start September**

## **Programme outline – start February**

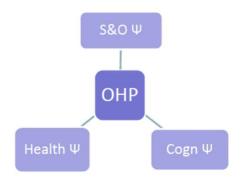

## **Mandatory courses (20 EC)**

- Work & Stress (5)
   role of workplace factors in employee health & well-being
- Improving Human Performance in Practice (5) cognitive enhancement in a variety of contexts
- Interventions in Occupational Health (5)
   how to assess occupational risks & how to design, implement &
   evaluate interventions

- → See the Prospectus for detailed descriptions
- → For the majority of masters' courses: attendance is mandatory

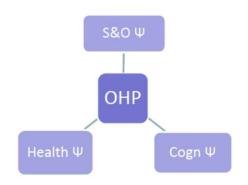

## **Mandatory courses (20 EC)**

At least 1 course out of the following 3 S&O courses:

Motivation, Power & Leadership

the interplay between individuals, groups, and organisations with special attention to the roles of managers

- Negotiation and Social Decision Making
   social psychological issues in organisational behaviour
- Organisational Management

key topics in the domain of organisational management, and training in applying this knowledge to organisational practice

## **Electives**

Depending on your interest; e.g. you can further focus on Social & Organisational or Health or Cognitive Ψ

#### **Sep-Jan Semester**

- Applied Data Analysis
- Designing Interventions for Behavioural Change
- Training Course Communication Skills (10 EC)

  Note: in Dutch + selection procedure
- Environmental Psychology

• ....

→ See the Prospectus for a complete overview

#### **Feb-June Semester**

- Health Psychology: from Research to Practice
- Innovations in e-Health Care
- Social Animals at Work
- Psychology of Economic Behavior

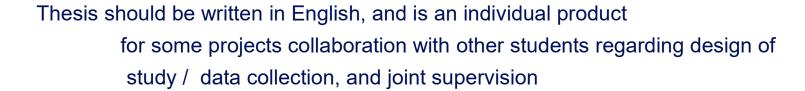

• .....

### **Thesis**

#### Basic requirements:

- thesis on an OHP topic
- empirical research, including analyses on quantitative data or meta-analysis

20 EC (= 560 hours)

Two phases: (1) Thesis proposal (introduction & method)

- (2) Data collection, analyses, writing the full thesis
- → End of your first month in the master (September/February):
  list of available thesis topics → indicate your top 5 preferences

→ allocated to topic & supervisor

## **Thesis**

Self-check: Do I have sufficient background / experience regarding:

- Statistics
- SPSS or R
- Bachelorthesis (incl quantitative research)
- → option to take 'Applied Data Analysis' (master level course) as an elective

## Internship

- 10 EC = 280 hrs (= 35 days, report included)
- Find internship <u>yourself</u>

- The planning (number of days per week) is flexible, and depending on your wishes and those of the organisation
- Your internship (organisation, content and schedule) should be approved by the internship coordinator and your university supervisor
- Next to your field supervisor, you will have a university supervisor (individual meetings, and/or group sessions)

## **Programme outline – start February**

## Before the start of the programme

#### Sign up for courses (via MyStudyMap)

- When?
  - Course planning: June and November
  - Course enrolment: July and December
- You will receive an email with instructions on course enrolment from the Student Services Centre

#### Be present at the Master's Kick Off

- We expect you to attend the Kick Off, which takes place in the week *before* the start of the semester
- More information will follow via email

# We are looking forward to welcoming you at Leiden University!
